

Strike Threat Fizzles; Gasco, Christians Clash Today

MANAGERS AGREE TO CONTINUE STRUGGLE FOR DIAMOND CROWN

One of Four Teams To Be Eliminated in Today's Conflict.

BY BOB KIRKPATRICK
Sports Editor, The Star

All is again serene today in the ranks of softball here as a result of the managers of the four Little World series teams having agreed to continue their struggle for the diamond championship. The action came as the result of a meeting of the team managers and was taken, they pointed out, in order not to disappoint the fans of the city who have been looking forward to one of the best series ever played here.

Thus the first threatened strike that has ever occurred in connection with a city series appears to have been more of a threat than anything else. All of which apparently indicates that

MORE SPORTS ON PAGE 13

Marion's softball players are more interested in battling for whatever honor and fame come from winning the city diamond championship than for a meager slice of the state receipts of the Little World series. That's what has made softball the major sport in Marion for the last several years.

Gasco vs. Christians.
Considering the strike threat a thing of the past the Marion club and the Central Christians will clash at Lincoln park today in a game which will see one of the other eliminated from the series. Each team has lost one, the Gasco dropping the opening series tilt to the Presbyterians, 2-2 and the C. C. dropping the Christians, 2-2. Two defeats eliminates a team. This will be the final game this week. Competition will be resumed next Tuesday when the Presbyterians and R. of P. teams lock horns.

Richards and Young for the Gasco and Amick and Overfield for the Christians will probably be the starting batteries for today's game.

FAVORITES LOSE

Grounding Out, Mark Opening Round at N. G. A. Meet.

By The Associated Press.
ST. PAUL, Minn., Sept. 1.—Long distance golf records blew over Katter today as the fight for the national professional championship entered the second round today all but four qualifiers from the 1937 tour.

Walter Hagen, five times king of the pros was among the pinning—the victim of a record smashing 69 hole struggle against Johnny Graham of Houston, Tex. Of the first round, only Graham, Ed Dudley of Wilmington, Del., Abe Saperstein of Chicago and the defending champion, Tom Creery of Albany, started on the first.

Not a single match, involving two outstanding favorites, was scheduled on the second hole round all of day, as a drought once the sweeping waves of upsets.

RISKO, LEVINSKY IN 12-ROUND BATTLE

By The Associated Press.
CLEVELAND, O., Sept. 1.—Two of the most up-and-at-em scrapers, Johnny Risko of Cleveland and King Levinsky of Chicago, traded wares tonight to advance one of them another step toward a chance at the heavyweight crown.

Risko and Levinsky will meet in a 12-round, no-holds-barred fight, the feature of the Cleveland News-Examiner fund fight show in the Cleveland stadium, before a crowd expected to total 20,000.

Included in a new radio set are a clock and program selector that tune in any desired station at times set several hours in advance.

Cadets, Middies Agree To Meet Again on Grid

NEW YORK, Sept. 1.—The army and navy will resume gridiron relations at Franklin field, Philadelphia, Dec. 3.

Five years ago—in December, 1932, the two service academies decided they couldn't agree upon a common basis for eligibility requirements and broke off relations. Twelve days later they played football at the call of charity, and yesterday, still without yielding an inch in their ideas of what should be required of a player to make him eligible, they got together and signed a new three-year agreement. The demands of charity, which brought them together in 1930 and 1931 for post season games, was a primary cause of the resumption. Since they wound up by playing anyway and at a time that was injurious to the academic standing of the players, they decided to go ahead and make it official.

Navy still stands on its rule of three-year eligibility and army holds its theory that all cadets must be considered as equal no matter how long they have played elsewhere.

SCHAAF BEATEN BY CALIFORNIA BATTLER

Late Round Attack Gets Decision Over Third Ranking Heavy.

By The Associated Press.
CHICAGO, Sept. 1.—Max Baer, California's contender for the heavyweight championship of the world, today had a knockout over Ernie Schauf of Boston—but it will never find its way into the record books.

After one of the most astonishing finishes seen in any ring, Schauf, protégé of Jack Sharkey, world heavyweight titleholder, was knocked out cold in the battle pit of the Chicago Stadium last night, ending their ten round contest.

From the bell's roar salvaged a mere decision victory over the man who had been regarded as the better of the younger contenders.

From the second to the ninth rounds it had not been so much of a fight. Both boxers, big, had done their work with such deliberation and study that referee Tommy Thomas had thought it necessary to warn them to put more spirit into their efforts. Then, as the ninth round started and just after the second warning Baer, an old-fashioned long distance fighter, piled into Schauf with a withering assault to gain the decision.

GRIDDERS CALLED

It will be but a short time before the solid third of leather against pigskin will be heard in Marion, Chuck D. M. Boyer today issued the first call for candidates for the 1938 edition of the Harding High gridiron team. Boyer has asked all applicants for letters on the red and black eleven to report at Harding High school either Friday or Saturday of this week at about 9 p. m. Letters will be issued at this time, and practice will be started this week.

No supervised drills have been held yet but at least half a dozen of Harding's most promising candidates have been working out daily for almost three weeks.

SIMON PURE PUGS TO HAMMER EACH OTHER IN TOURNEY TONIGHT

Twenty-Two Three-Round Battles Carded for Open Air Arena.

It's just one thing right after another in the way of sports here today. At 6 p. m. the Green Camp and Central Christian boxing teams will cross at Lincoln park in the third game of the Little World series and almost immediately following, the "semi-final" bouts of the north central Ohio amateur boxing tournament are slated to get under way at the open air arena on Uncepher avenue. From a diamond fight in a stadium, so to speak.

When these 22 about pure line up to start swinging at each other's chins, fans are going to see most punches thrown in one round than there are in a year in a last year's fight. The boys will be hitting for the right to compete next week in the championship bout. No money is at stake, nothing but the glory and fame that comes from winning a tournament championship. But that's sure enough to send the boys in there fighting tooth and nail all the way, with no quarter asked and none given.

The fight program tonight will be preceded by a clever boxing act staged by several individuals from the Y. M. C. A. This feature is slated to start at 8:30 and will be followed immediately by the fights.

All fights will go three rounds with a fourth round added if necessary to determine the winner. Jimmie Conner will act as third man in all the fights.

The 12-round fight at Cleveland between King Levinsky, the ex-Chicago fish peddler and Johnny Risko, the Cleveland baker boy, will be broadcast by rounds during the amateur fights.

MARION EX-LEGIONS TO TACKLE NEWARK

Legion Junior Ball Game Slated for Lincoln Park Friday.

The Newark Beavers, American Legion Junior baseball team, will invade Marion for a diamond series Friday afternoon at Lincoln park with the Marion Ex-Legions under the management of Walter Hane. The game is slated for 3 p. m.

The Newark team has captured 17 out of 20 stars this season and were runners-up in the sixth district American Legion tournament series at Columbus recently. Marion holds one one-run victory over Newark, having defeated them last Saturday afternoon.

Newark has two pitchers, who have twirled no-hit, no-run games this season. Each has pitched two no hitters.

Hane will probably send either Castner or Lindsay to the mound for Marion. Both have been doing some nice flinging for the local team in recent starts.

There will be a preliminary game at 1 p. m. between the two 11-year-old teams.

PLEASANT TO CLASH WITH KIRKPATRICK FOR COUNTY CROWN

Green Camp Loses in Semi-Final Game; Meet at Shovel Field.

Kirkpatrick and Pleasant will clash Saturday afternoon at the Shovel athletic field in the semi-final game of the Marion county league's Little World series. One and possibly two games will be played, a second game depending on the outcome of the first battle.

Green Camp lost one of the best played county games of the season to Kirkpatrick yesterday in the game to determine who would oppose Pleasant for the title. The score was 2-1, an error in the third inning allowing what proved to be the winning run score for Kirkpatrick.

If Kirkpatrick wins the first game Saturday at 4 p. m. a second game will be played at 5 p. m. Should Pleasant grab the opener the series will be ended. Pleasant will be given the winners and runner-up. Green Camp finishes in third place as a result of yesterday's defeat.

Batteries and score by innings:
Green Camp 001 000 0—1 5 2
Kirkpatrick 002 000 0—2 6 2
Green Camp, Weiss and Wolfinger; Kirk, Furness and Kelly.

"Nature in the Raw is seldom MILD"
CUSTER'S LAST STAND
"Nature in the Raw"—as portrayed by the great painter of the American Indian, N. C. Wyeth... inspired by the massacre of Custer's defenseless band at Little Big Horn, Montana, by the savage Sioux Indians, June 25, 1876.

LUCKY STRIKE
CIGARETTES
"It's Toasted"

—and raw tobaccos have no place in cigarettes

They are not present in Luckies... the mildest cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"

—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted"
That's because of mild Luckies

"If a man with a better look, preach a better sermon, or make a better man than his neighbor, he is bound to lose in the world, the world will make a better man of him."—RALPH WALDO EMERSON.
Does not this explain the world-wide acceptance and approval of Lucky Strike?

k Is Progressing On Center Street Paving

Preliminary Core Resurfacing Starts from Ker to Kington Place; Reconsider Plan To Dispose of Old Car Tracks.

Primary to be resurfaced by the state highway department when the contract for the resurfacing would be let. Whether the usual procedure of advertising for bids will be followed or whether the contract will be let on invitation bids had not been determined.

The matter of removing the street car rails from Baker street to Grand avenue, is also still in the incipient state. The original plan provided for the rails to be covered similar to that on South Main street. Some objection to such a plan, however, has resulted in the reconsideration of the idea.

The rails from Grand avenue, east, will be removed. This operation will cost the city of about \$10,000. The extra labor necessary to remove the rails from the brick portion of the street, prompted the plan of covering them. Relief labor is being used by the city in carrying on its portion of the work. Under the employment relief bill passed by the general assembly, it will also be necessary for the contractor to employ at least 60 per cent of the labor, aside from machine operators, from the unemployed list.

Circle Has Picnic.

THE BLUE, Sept. 1—The Queen Esther circle entertained with a picnic at Cape bridge Tuesday evening for the pleasure of members who teach and attend college. Miss Princess Campbell was a guest.

FLASHES OF LIFE

By The Associated Press

NEW YORK—The world's broad and better problems are a headache to Sir Arthur Eddington, British astrophysicist. The man who figured out that the universe is expanding finds finance just a puzzle. "Give me something simple like the Einstein theory," he said on a visit here. "Economics is a horribly confusing and paradoxical subject."

REGGIO, CALABRIA, Italy—Brought to trial on a minor charge, Giorgio Menotti didn't like the way the judge was conducting the trial. He took off his shoes and threw it at the justice, who ducked and said: "Four years."

NEW YORK—Where do you suppose Harry Rosenthal, sophisticated orchestra leader, and Marjorie Le Voe, Zigfield beauty, are going to spend their honeymoon? Where but at Niagara Falls? "This is an old-fashioned wedding that is going to stay put," he said after the ceremony yesterday. "and Niagara Falls is as good a place as I know for an old-fashioned honeymoon."
